### WORDS OF THE HOLY FATHER

"The newness which God brings into our life is something that actually brings fulfillment, that gives true joy, true serenity, because God loves us and desires only our good. Let us ask ourselves today: Are we open to "God's surprises"? Or are we closed and fearful before the newness of the Holy Spirit? Do we have the courage to strike out along the new paths which God's newness sets before us, or do we resist, barricaded in transient structures which have lost their capacity for openness to what is new? We would do well to ask ourselves these questions all through the day."

Pope Francis, May 19, 2013
