\$8,000.00 Scholarship

Fr. John was out of town this week, but announced that Hillary Galetka has been awarded the Pope John Paul II Scholarship for the 2011-2012 academic year at Franciscan University of Steubenville, Ohio, in the amount of \$8,000.00. She is also eligible to receive the scholarship for the next year. Congratulations, Hillary!!! We are all so proud of you.

Any St. John parishioners interested in this scholarship should contact Fr. John at the Parish Office.

**Academically Excellent.
Passionately Catholic.**

“Dynamic Orthodoxy. The University has embraced this concept as a policy standard for its life, thereby striving to promote and maintain a balanced commitment to truth and life in its faith community. The Way, the Truth, and the Life are fundamental concepts and guidelines for evaluating University priorities, staffing, and budgets and are understood as explicating dynamic orthodoxy. A way of life is promoted based on Christian truths as they are understood in light of Sacred Scripture and the Magisterium of the Catholic Church while always allowing for the development of the Church’s understanding of Revelation. These truths are lived out through the power and the gifts of the Holy Spirit emanating from the personal relationship with Jesus Christ.”

from the Franciscan University Mission Statement

“For those who want a very strong Catholic environment that will bolster their spirituality while also challenging them intellectually, Franciscan University is certainly worth investigating. There is much here that makes it a ‘must visit’ college for Catholic high school seniors.”
