People Are Starving

If something should rightly disturb us and trouble our consciences, it is the fact that so many of our brothers and sisters are living without the strength, light, and consolation born of friendship with Jesus Christ, without a community of faith to support them, without meaning and a goal in life. More than by fear of going astray, my hope is that we will be moved by the fear of remaining shut up within structures which give us a false sense of security, within rules which make us harsh judges, within habits which make us feel safe, while at our door people are starving and Jesus does not tire of saying to us, “Give them something to eat” (Mk 6:37). — Evangelii Gaudium

NEWS AND NOTEWORTHY

Safe Environment Training (for Renewal or for 1st timers)
 September 11, 2016: after the 7am, 11am, and 1pm mass or

 Location: Rooms 103 and 104 in the school
 Contact Heather Fira, 972-567-9486, with questions.

Reflection: Pope Francis’ words call us to reflect on what we truly care about. Do we care more about others simply following rules, or is our deepest desire to see them living with the joy and consolation of a friendship with Jesus? Search your heart and mind for what you truly care about.
