

The teenage ministry of this parish needs you to reach out to the young church and there are many ways to serve Life Teen.

The most impactful way to serve the Life
Teen program is to join the Core Team.

The Core Team are the personal ministers to teenagers. People who reach out and make connections with them and lead them into a closer relationship with Christ.

The main Life Teen meetings are:
Sunday & Wednesday evenings

Other ways in which you can help serve the teenagers of the parish:
